## Saddarshanam

A narrow vision is divisive, a noble vision is unifying, but a Divine Vision is all inclusive, infinite & liberating. *Saddarshanam* of Bhagavan Ramana Maharshi guides us to attain a divine "Vision of Truth" by searching the very core of our being, enquiring into the root of who we really are.

Key lessons discussed in the text are:

- Is what we understand of Life and the World, the complete *Truth*?
- Unconditional surrender to *Arunachala*
- Can there be thoughts of existence of the world without *Existence Principle*
- Learn to be *Immortal* removing notion of death
- One alone has become seen, seer, canvas of the world and light.
- Let worship of names and forms be means to gain *Vision of Truth*
- Consciousness is the abode of perception of objects and *Truth of One-Self*
- Getting to root of one's ego
- Limbs of true inquiry
- *Reality* shines as One's Own Self

"Seeing the Truth is Being the Truth"

Come and Listen to Pujya Swamiji explain the entire text dedicated to this Vision !!
