

## Vrindavan Balavihar frequently asked questions

### Q: What is the fee refund policy?

Fees will not be refunded after start of session; please contact the leadership team for relief due to exceptional circumstances

### Q: Can we pay the fees through a monthly plan?

This option isn't available at this time; please contact the leadership team for relief due to exceptional circumstances

### Q: Can we pay the fees by check?

We are encouraging all our families to complete payment online using a credit/debit card. Check payment is not an option.

### Q: Can my child enroll only in a language/math class?

Only students enrolled in Balavihar will be eligible for any of the extra-curricular activities offered through the Mission. The primary objective of Balavihar is to expose the community to structured learning of Hinduism and its Vedic/spiritual roots thereby enabling spiritual development through cultural education. Additional activities (language/math classes) are being offered to maximize learning opportunities for kids already enrolled and attending Balavihar sessions.

### Q: Can my child enroll in two language classes?

All language classes are conducted at the same time, Sundays 11:15 – 12:15. So children can choose only one class. First time language students should register for Level 1. At the start of the session, language teachers will evaluate and make adjustments to the child's level if needed.

### Q: Can I enroll my child in a higher grade for Balavihar?

All children must be enrolled in the same grade they attend in their school. This applies for Math Club classes as well.

### Q: How can I volunteer/help?

We welcome volunteers and are always looking for additional participation in a number of areas. Please indicate your area of interest during the registration process and it to be contacted by the Admin team. Alternatively, please talk with one of the existing volunteers/leaders of the team about your interests and they will work with you.

### Q: What happens after enrollment?

You should receive a confirmation email with the enrollment details; please contact the leadership team at [balaviharadmin@chinmayavrindavan.org](mailto:balaviharadmin@chinmayavrindavan.org) if you haven't received confirmation. For any inaccuracies or questions, please contact the team immediately. Additional emails providing details on commencement of the session will be distributed closer to the start of the calendar year.
